Below is a list of achievements and trophies in Grand Theft Auto IV. Total in GTA IV 50 achievements/trophies, as well as the exclusive Platinum PlayStation trophy. An additional five awards were added to The Lost and Damned and Ten - The Ballad of Gay Tony downloaded episodes. Description Of The Contents/show While Xbox 360 and PC Achievements were available from the beginning in all versions of the game to get trophies on ps3 the player must have at least a version of 2.41 PS3 firmware and version 1.03 GTA IV. Saved games prior to these updates will not support trophies, so the game history should be relaunched. Some achievements/trophies are temporarily blocked in the game session with cheats. If Episodes from Liberty City is loaded on PS3, it will fix the trophy glitch, thereby giving you a complete list. Achievements of xbox 360 and PC cost a total of 1000 Gamerscore points with an additional 250 points added by each downloaded episode. Achievements are tracked through Xbox LIVE, Windows Games - LIVE and PlayStation Network. Because Games For Windows Live is essentially the equivalent of Xbox Live, the achievements are identical and work the same way on both systems. PS3 trophies use trophy colors (bronze, silver, gold and platinum) rather than Gamerscore. Once all 50 trophies are purchased on PS3, the player receives a platinum trophy, which is not available in other versions.
